

HealthTALK

WINTER 2019 | ¡VOLTEE PARA ESPAÑOL!

What do you think?

In a few weeks, you may get a survey in the mail. It asks how happy you are with UnitedHealthcare Community Plan. If you get a survey, please fill it out and mail it back. Your answers will be private. Your opinion helps us make the health plan better.

Nurse on call.

We can help anytime.

UnitedHealthcare has a NurseLineSM. You can talk to an experienced nurse 24 hours a day, 7 days a week. NurseLine can help you with a variety of concerns, including illnesses that are common in the winter such as cold and flu. When you're not feeling well, a nurse can:

- Help you understand your illness or condition.
- Give you advice for self-care.
- Help you decide how quickly you need to see a doctor.
- Give you advice on the best place to get care for your illness or injury.

Call anytime. Call NurseLine 24 hours a day, 7 days a week, at **1-800-542-8630, TTY 711.**

Get home safe.

If your child has an Autism Spectrum Disorder (ASD) or is developmentally delayed, he or she has a higher risk of wandering from your home. The same is true for people with Alzheimer's, dementia and other related conditions. If your loved one can't say his or her name, address or phone number to reach you, then it's critical to find them as soon as possible.

In partnership with MedicAlert®, we are providing MedicAlert IDs and services to members with ASD, Alzheimer's, dementia or related conditions. Having your loved one wear a MedicAlert ID can help lower stress for caregivers.

Sign up to get a MedicAlert ID for your loved one. Here's how it works:

- Enroll online or by calling MedicAlert directly.
- Have your loved one wear the ID bracelet, which has a toll-free 800 number to MedicAlert's 24-hour call center. You can also choose to engrave more information on the bracelet.
- When someone sees that your loved one is lost, they will see the bracelet and call the 800 number.
- Once the 800 number is called, your loved one is identified and you will be told right away. Then you can help get them home safely.

Enroll today. Get your loved one a MedicAlert ID bracelet at no cost.

Visit [UHCCommunityPlan.com/MedicAlertALZ](https://www.uhccommunityplan.com/MedicAlertALZ) for patients with Alzheimer's or dementia. For children with ASD, visit [UHCCommunityPlan.com/MedicAlertASD](https://www.uhccommunityplan.com/MedicAlertASD). Or call **1-800-895-2017, TTY 711**.

Take charge.

See your PCP for your annual well visit.

Checkups aren't just for kids. They can help adults stay healthy, too. See your primary care provider (PCP) once a year for a well visit. You will get any tests or shots you need. Your PCP can look for problems that often don't have symptoms.

Get off to a good start this year by scheduling an appointment with your PCP. Preparing for your PCP visit can help you get the most out of it. Here's how you can take charge of your health care:

1. Think about what you want to get out of the visit before you go. Try to focus on the top 3 things you need help with.
2. Tell your PCP about any drugs or vitamins you take on a regular basis. Bring a written list. Or bring the medicine itself with you.
3. Tell your PCP about other doctors you may be seeing. Mention any medications or treatments they have prescribed for you. Bring copies of any reports and test results.
4. Write down your symptoms. Tell your doctor how you feel. Mention any new symptoms and when they started.
5. Bring someone for support. He or she can help you remember and write down information.

Need a doc? We can help. Call Member Services toll-free at **1-800-895-2017, TTY 711**. Or visit our member website at [myuhc.com/CommunityPlan](https://www.myuhc.com/CommunityPlan) or use the UnitedHealthcare **Health4Me**® app.

Under control.

Tests for people with diabetes.

If you have diabetes, it is important to make your health a priority. It takes constant, careful monitoring to keep diabetes under control. Regular testing helps you see how you're doing. Have you gotten these tests recently?

- **A1c blood test.** This lab test shows how well your blood sugar has been controlled over the last few months. Get this test 2 to 4 times per year.
- **Heart disease.** Controlling your cholesterol and blood pressure can protect your heart. Get your cholesterol checked once a year or when your doctor says you should. It's important to keep your blood pressure below 130/80. Get your blood pressure checked at every visit.
- **Kidney function.** Diabetes can damage your kidneys. A urine test and a blood test can check to make sure yours are working right. Get tested once a year.
- **Dilated eye exam.** High blood sugar can cause blindness. In this test, eye drops make your pupils bigger so your retina can be checked. It helps find problems before you notice them. Get this test once a year.
- **Foot exam.** Get your feet examined once a year to check for wounds and nerve damage.

We make it easy. These tests are covered benefits. If you need help making an appointment or getting to the doctor, call Member Services toll-free at **1-800-895-2017**, **TTY 711**. Or use the **Health4Me** app.

Fresh EBT app.

Make your food budget go further.

If you receive Supplemental Nutrition Assistance Program (SNAP) benefits, you can now manage your balance right from your smartphone with the Fresh EBT app.

The Fresh EBT app lets you:

- **Check your balance quickly and easily.** Instantly view your balance when you create an account with your state EBT card. That means no more calls to check your balance.
- **Track spending habits.** Track your spending, including where you use your EBT card, by viewing your month-by-month activity.
- **Find places that accept EBT.** Find nearby grocers, corner stores and farmers markets that accept EBT.

Plus, the app also offers these convenient features:

- Find grocery deals and specials.
- Keep a shopping list.
- Get healthy low-cost recipes.
- Find out about program changes.
- Check deposits and recent activity.

Free download.

To download the **Fresh EBT** app, go to the App Store on your iPhone or Google Play™ on your Android.

10 facts about depression.

Things to know when you're feeling down.

- 1. Depression affects your thinking.** If you have thoughts of suicide, please call someone right away. You can call the National Suicide Prevention Lifeline at **1-800-273-TALK (8255)** or the National Hopeline Network phone at **1-800-SUICIDE (1-800-784-2433)**.
- 2. Depression makes it hard to give.** It's hard to think of other people when you're depressed.
- 3. Depression is often experienced as anxiety.** Make sure you get a correct diagnosis. This will help you get the best treatment for you.
- 4. Ongoing irritability can be a symptom of depression.**
- 5. Chronic pain can be another symptom of depression.** At the same time, being in continual discomfort can cause you to become depressed.
- 6. Alcohol is a depressant.** So are marijuana and many other recreational or street drugs. Using these substances could make you feel worse in the long run.
- 7. People don't choose to be depressed.** But they do make a choice about how to deal with it. Denying that you have a problem will not make you feel better.
- 8. Depression can be as hard on your loved ones as it is on you.** Those closest to you may start to feel unloved. Try to show your love in small ways you can manage.
- 9. Exercise is the easiest and least expensive cure for depression.** Walking just 30 minutes a day can help.
- 10. Sometimes talk therapy can work wonders.** Think about seeking counseling.

More information, tools and resources for depression can be found at the Live and Work Well website. To access Live and Work Well:

- Go to **LiveandWorkWell.com**.
- If you do not know your access code, click on "I don't know my access code."
- Select your health plan in the list of UnitedHealthcare Community Plan options.
- Click on "Enter."
- Go to the "Mind and Body" drop down.
- Select "Mental Health."
- Scroll down to select your topic. Topics include depression as well as other mental health conditions.

Get help. To learn more about your behavioral health benefits, call Member Services toll-free at **1-800-895-2017, TTY 711**.

UnitedHealthcare Community Plan of Ohio, Inc. does not discriminate because of sex, age, race, color, disability or national origin.

If you believe that we have failed to provide these services or discriminated in another way on the basis of sex, age, race, color, disability or national origin, you can send a complaint to the Civil Rights Coordinator.

- **Online:** UHC_Civil_Rights@uhc.com
- **Mail:** Civil Rights Coordinator. UnitedHealthcare Civil Rights Grievance. P.O. Box 30608, Salt Lake City, UT 84130

You must send the complaint within 60 days of when you found out about it. A decision will be sent to you within 30 days. If you disagree with the decision, you have 15 days to ask us to look at it again. If you need help with your complaint, please call 1-800-895-2017 (TTY 711) from 7 a.m. to 7 p.m. Monday through Friday (voicemail available 24 hours a day/7 days a week).

You can also file a complaint with the U.S. Dept. of Health and Human Services.

- **Online:** <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>
- Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.
- **Phone:** Toll-free 1-800-368-1019, 800-537-7697 (TDD)
 - **Mail:** U.S. Dept. of Health and Human Services. 200 Independence Avenue, SW Room 509F, HHH Building Washington, D.C. 20201

We provide free services to help you communicate with us. Such as, letters in other languages or large print. Or, you can ask for an interpreter. To ask for help, please call 1-800-895-2017 (TTY 711) from 7 a.m. to 7 p.m. Monday through Friday (voicemail available 24 hours a day/7 days a week).
