# Welcome to UnitedHealthcare Community Plan STAR Kids

---

## **Welcome to UnitedHealthcare Community Plan STAR Kids and Congratulations!**

You've made a smart choice in health care programs.

UnitedHealthcare Community Plan STAR Kids is a health maintenance organization. UnitedHealthcare Community Plan STAR Kids has contracted with certain doctors and other health care providers to help you get the health care you need.

That's why we wrote this booklet — to give you information you need when it comes to using the UnitedHealthcare Community Plan STAR Kids program. By reading this directory, you will learn important things about UnitedHealthcare Community Plan STAR Kids and the care you can expect to receive. Included is a listing of providers that have agreed to provide medical care to our members.

If you have any questions or need help, call the UnitedHealthcare Community Plan STAR Kids Member Services Department at **1-877-597-7799** or TDD access at **7-1-1** for the deaf or hearing impaired.

## **UnitedHealthcare Community Plan STAR Kids translation services**

If you need an interpreter or information in another language, please call us at **1-877-597-7799**. Deaf or hearing impaired members can call **7-1-1** for TDD access. We can provide materials in English and Spanish. We also offer translator (including sign language) at doctor visits.

## **What to do in case of an emergency**

An emergency is a serious accident or medical problem that, if not treated immediately, might turn into a life-threatening situation. Some examples of a medical emergency are:

- You can't stop bleeding
- You are bleeding for no known reason
- Loss of consciousness
- Very painful stomach or chest pain
- Poisoning
- Convulsions
- It's hard for you to breathe
- You think you're having a heart attack or stroke
- Severe or multiple injuries or burns

Emergency care for life-threatening or severe medical conditions is always covered, 24 hours a day, 7 days a week, no matter where you are.

**Remember:** If you have an emergency, call 9-1-1 or your local ambulance or go to the local emergency room. If you are not sure the symptoms you have are life-threatening, call your PCP.

### **Provider listings**

This part of the book lists the doctors who will give you the care you need. Please read this part very carefully. You'll need to pick a UnitedHealthcare Community Plan STAR Kids doctor from the Primary Care Physicians listed in this book. Your doctor will work with you to provide the covered care and services you need.

### **How to choose a PCP or clinic**

All UnitedHealthcare Community Plan STAR Kids members must choose a PCP. If you are going to a doctor that you like, you can keep going to that doctor if he or she is part of the UnitedHealthcare Community Plan STAR Kids PCP network. If your current doctor is a specialist doctor, he or she may be allowed to serve as your PCP, if approved by UnitedHealthcare Community Plan STAR Kids.

After you decide on a PCP, call the Enrollment Counselor at **1-800-964-2777** to let them know you would like to enroll in UnitedHealthcare Community Plan STAR Kids and give them the name of your selected PCP. If your current doctor does not participate in UnitedHealthcare Community Plan STAR Kids, the Enrollment Counselor will help you choose a new doctor that is part of the UnitedHealthcare Community Plan STAR Kids network. If you do not choose a doctor, one will be assigned to you. UnitedHealthcare Community Plan STAR Kids will send you a letter with your PCP's name and phone number. The UnitedHealthcare Community Plan STAR Kids provider network changes from time-to-time. For a current listing of providers, call Member Services at **1-877-597-7799**. If you are deaf or hearing impaired, call **7-1-1** for TDD access.

With some health plans, a member may not be able to access a particular specialist physician, even if the doctor is listed in the HMO's provider network because of a relationship the member's PCP has with another provider network called an IPA. With UnitedHealthcare Community Plan STAR Kids, there are no IPA restrictions or limitations for specialists who are part of the network. In other words, you do not need to worry that you will not be able to see the specialist that you and your PCP decide is best for you.

**If you have Medicare, you will not have to pick a primary doctor with STAR Kids. You will need to tell your Service Coordinator the name of your doctor in your Medicare HMO (or the doctor you see if you have traditional Medicare).**

## **Self-referral services**

Although your PCP is the doctor you see or talk to first for most medical care, there are some kinds of medical services that you can arrange for yourself. These are called “self-referral services,” because you don’t need a referral from your PCP to get them.

**You can go to UnitedHealthcare Community Plan providers for the following self-referral services:**

- Vision exam (if you are eligible)
- Family planning and birth control services
- OB/GYN visits for routine care, pregnancy tests or prenatal care
- Texas Health Steps preventive care for children 0–20
- Behavioral Health services
- Early Childhood Intervention (ECI)

## **Obstetrician (OB) or gynecologist (GYN) care and pregnancy care**

Members of UnitedHealthcare Community Plan can make an appointment and go directly to an OB/GYN without having to see their PCP first.

- The OB/GYN you select **MUST** be in our provider network
- If you do not have an OB/GYN, please call Member Services toll-free at **1-877-597-7799**. We can help you find one close to you.
- If you are pregnant, please make your first appointment with an OB/GYN within the next 10 days for your first prenatal visit

UnitedHealthcare Community Plan knows that healthy moms have healthy babies. That is why we take special care of all of our moms-to-be. We have a special program, Healthy First Steps, for pregnant moms that offers information, education and support to help reduce problems while you are pregnant. If you would like more information about our pregnancy program, please call Member Services toll-free at **1-877-597-7799**.

## **Behavioral health and chemical dependency providers**

If you need help with drug, alcohol or emotional problems, call UnitedHealthcare Community Plan STAR Kids at **1-877-597-7799**, TTY **7-1-1** for assistance. UnitedHealthcare Community Plan STAR Kids works with many trained doctors and counselors to help you get the care you need. You do not need a referral from your PCP to get behavioral health services. However, it is always a good idea to tell your PCP of your behavioral health care concerns so he or she can help you get the care you need.

## **Family planning providers**

If you want family planning education or birth control devices, you can go to your PCP or a family planning provider. You do not need a referral from your PCP to go to a family planning provider. For a list of family planning providers, look in your UnitedHealthcare Community Plan STAR Kids Member Handbook. Any information you tell the provider will be kept private.

## Texas Health Steps providers

The Texas Health Steps program is a covered benefit of the STAR Kids program for children 0–20 years of age. The program is designed to provide preventive health care services. During a Texas Health Steps medical checkup, the doctor will look at your child from head to toe, checking for health problems you may not know about. The doctor will also see if your child is growing and developing like other children their age. These checkups can help catch health problems before they get bigger and harder to treat. Your Member Handbook has more information about Texas Health Steps services and a schedule of recommended checkups. You do not need a referral from your PCP if you choose to go to another provider for Texas Health Steps services. You should tell your PCP when you get Texas Health Steps services from another provider so your PCP can better coordinate all your health care needs and your records can be kept up-to-date.

## Other UnitedHealthcare Community Plan STAR Kids facilities and providers

The following health care providers are also in the UnitedHealthcare Community Plan STAR Kids Network. Your PCP will order these services for you if you need them.

- Durable medical equipment suppliers
- Dialysis centers
- Lab services
- Vision care
- Prosthetics and orthotics suppliers
- Dental services
- Hearing services
- Surgical centers
- Early Childhood Intervention (ECI)

## Qué hacer en caso de una emergencia

Una emergencia es un accidente serio o un problema médico que, si no tratado inmediatamente, puede poner en peligro su vida. Algunos ejemplos de una emergencia médica son:

- Usted no puede parar el sangrar
- Usted está sangrando sin sabida razón
- Desmayo
- Dolor de estómago o de pecho muy doloroso
- Envenenamiento
- Convulsiones
- Es difícil para usted respirar
- Usted piensa que está teniendo un ataque del corazón o infarto
- Lesiones o quemadas severas o múltiples

El cuidado de emergencia para situaciones que ponen en peligro su vida, o condiciones médicas severas están cubiertas siempre, 24 horas al día, 7 días a la semana, no importa dónde usted es.

**Recuerde:** Si usted tiene una emergencia, llame 9-1-1 o a la ambulancia local o vaya al cuarto de emergencia local. Si usted no es seguro los síntomas que usted tiene ponen en peligro su vida, llame su PCP.

## **Lista de proveedores**

Esta parte de la guía enumera los doctores que le darán la atención que usted necesita. Por favor, lea esta parte detenidamente. Tendrá que escoger a un doctor de UnitedHealthcare Community Plan STAR Kids de entre los Proveedores de atención primaria (PCP) listados en este libro. El doctor trabajará con usted para prestarle la atención y los servicios que necesita.

## **Cómo escoger a un Proveedor de atención primaria (PCP) o clínica**

Todos los miembros de UnitedHealthcare Community Plan STAR Kids tienen que escoger a un Proveedor de atención primaria (PCP). Si le gusta el doctor que lo atiende actualmente, puede seguir yendo a ese doctor si forma parte de la red de PCP de UnitedHealthcare Community Plan STAR Kids. Si el doctor que lo atiende actualmente es un especialista, podrían permitirle tenerlo como su PCP, si UnitedHealthcare Community Plan STAR Kids lo aprueba.

Después de escoger a un PCP, llame al Consejero de Inscripciones al **1-800-964-2777** para informarle que quiere inscribirse en UnitedHealthcare Community Plan STAR Kids y darle el nombre del PCP que escogió. Si su doctor no participa en UnitedHealthcare Community Plan STAR Kids, el Consejero de Inscripciones le ayudará a escoger un nuevo doctor que forme parte de la red de UnitedHealthcare Community Plan STAR Kids. Si no escoge a un doctor, le asignaremos uno. UnitedHealthcare Community Plan STAR Kids le enviará una carta con el nombre y teléfono de su PCP. La red de proveedores de UnitedHealthcare Community Plan STAR Kids cambia de vez en cuando. Para recibir una lista de los proveedores, llame a Servicios para Miembros al **1-877-597-7799**. Si usted es sordo o tiene déficit auditivo, llame a la línea TDD al **7-1-1**.

En algunos planes de salud, es posible que el miembro no pueda consultar a un especialista en particular, aunque éste aparezca en la red de proveedores de la asociación para la conservación de la salud (HMO). Esto se debe a que el PCP del miembro está asociado con otra red de proveedores llamada Asociación de Médicos Independientes (IPA). En UnitedHealthcare Community Plan STAR Kids, no existen restricciones de IPA ni otras limitaciones para los especialistas que forman parte de la red. Es decir, usted no tiene que preocuparse de no poder ver al especialista que usted y su PCP hayan decidido es el mejor para usted. El PCP lo puede enviar a cualquier especialista que aparezca en este directorio.

**Si usted tiene Medicare, no tendrá que elegir un médico de atención primaria con STAR Kids. Usted tendrá que decirle a su Coordinador de Servicios el nombre de su médico en su HMO de Medicare (o el médico que ve si tiene Medicare tradicional).**

## **Servicios de autoenvío**

Aunque el PCP es el doctor a quien acude o con quien habla primero para la mayoría de su atención médica, hay algunos servicios médicos que usted mismo puede coordinar. Estos servicios se conocen como “Servicios de autoenvío”, puesto que no necesita un envío de su PCP para recibirlos.
